Kolter Elementary ♦ Cynthia Oubre, Librarian ♦ May 2013 Vol 12

Notes from the Librarian

Name that Book (grades 3-5) contestants were fearless at the district competition on Friday, May 19th. The quotes were harder and shorter, but Kolter held their own. Muyi Aghedo, Isabel Lan, Henry Pu, Alex Xu, and Rex Zhao did a fantastic job representing Kolter. We look forward to next year's competition.

During National Library week (4/15-19) 2nd-5th grades had a great time listening to visiting author, Betty Birney, discuss how as a girl of seven she wrote her first book titled *Teddy Bear in the Woods*. She shared with the students her career path from writing cartoons for Disney to writer and story editor of animated episodes for TV shows and her Humphrey book series.

Teachers thanks again for supplying the library with tissue boxes.

School is winding down and that includes the library. Starting **May 13– June 7th** the library will conduct its annual inventory. In addition to the inventory the library is going to be weeding and boxing books for the renovation in the library.

The last week books can be checked out is

May 6 – 10. There will be no check outs beginning the week of 5/13. Only check-ins and payment for lost and/or damaged books.

Accelerated Reader quizzes can be taken up until **May 15th**.

TRIVIAL IN THE LIBRARY

A number of classes in grades 1-5 took part in answering trivial questions based on book titles, characters and things characters did during National Library Week. Ms. Bodie's PM class answered the most correctly, followed by Ms. Gardner's

PM class. 3rd place tied with Ms. Lidsky's PM class, Ms. Patel's class and Ms. Carr-Green's class.
